

Let's Get Some Flags Up

Centennial projects are beginning to swing in our community with new ones almost every week.

However, our outward show of enthusiasm is still not too apparent. Flags and decorations

are available from many sources including the Drayton Valley Lions Club and local merchants.

A few more decorations will help the Centennial enthusiasm rolling. Let's get them up!

Presentation by Nurses

Mrs. Hy Dahl (right) is shown above presenting a copy of "Heritage of Service" to Mrs. Cull and Mrs. Ingram (left) of the Drayton Valley Library Board. The book was presented on behalf of the Nurses Association as a Centennial project.

Council Meeting Held Thursday

At the regular meeting of Town Council held Thursday morning arrangements were made for holding a special meeting on Monday, March 13th to consider the budget for the following year.

Estimates will be studied from various departments in the annual session aimed at holding the line wherever possible in the face of continually rising costs.

At the Thursday meeting council agreed to support the Centennial Committee financially during the balance of the year. Estimates of centennial spending are difficult to determine as some of the events will show a profit while others may require subsidizing.

COUNCIL BRIEFS

Question of continued operation of the Rotary Park skating rink was raised and the subject of considerable discussion.

There is apparently some question as to whether the amount of use justifies the rink, or whether small rinks at scattered points in the town

to serve small children would not be a better course to follow. Councillors advanced the possibility that parents might care for the rinks after they were made ready for use by the town.

Councillors are perplexed about the future of the Rotary Park rink and inferred that opinions of residents would be welcomed.

Considerable discussion on the erection of signs to welcome visitors to the community took place. The suggestion of a sign using a Centennial theme at the north entrance to the town failed to get sufficient support and as it now stands, signs will be erected at the Town Office and on the water tower.

Town workmen are also producing a number of smaller Centennial decorations to use at various points in the town.

The old hockey rink building

Hinton Rink Takes Top 'Spiel Prize

The Drayton Valley Ladies Curling Club held their 10th annual bonspiel March 10th, 11th and 12th with forty eight rinks participating.

First Event winners were: 1st, The Higgins rink from Hinton; 2nd, the Howarth rink from Drayton Valley; 3rd, the Wilkes rink from Warburg; and 4th the Bray rink from Drayton Valley.

Second Event winners were: 1st, the Knoll rink from Edmonton and Drayton Valley; 2nd the Selin rink from Drayton Valley; 3rd the Harrison rink from Drayton Valley; and 4th the Crough rink from Drayton Valley.

Third Event winners were: 1st, the Young rink from Drayton Valley; 2nd, the Anderson rink from Devon; 3rd, the Batog rink from Westlock; and 4th the Boliznatz rink from Lodgepole.

Fourth Event winners were: 1st, the Sware rink from Calgary; 2nd the Poloway rink from Drayton Valley; 3rd the Shepherd rink from Drayton Valley; 4th, the Field rink from Edmonton.

The play-off for the tie in the local aggregate will be played between the Bray and Howarth rinks on Wednesday night the 15th of March at 6:30p.m.

Some scientists say we can learn all we need to know about the moon without going there. The same is true of Los Vegas, but it's more fun to go.

Committee Review Shows Centennial Enthusiasm Rising

Reports of sub-committee activities heard at a meeting of the Centennial Committee last Wednesday noon indicate progress and rising enthusiasm for all the events of Centennial Year in Drayton Valley and district.

A new member of the committee, replacing Sherrold Moore who has been transferred to Calgary, Slim White of Pembina Pipeline was present at the meeting and accepted appointment to the Festival Canada committee.

It was announced that shows being presented under the Festival Canada program would be sponsored jointly by local service clubs. The service clubs have been asked to name members of the joint committee by March 20th in preparation for a meeting with Centennial Committee representatives.

The possibility of a start on a museum during Centennial Year was again raised and an attempt will be made to determine the feasibility of such

an undertaking. Mr. Fred Cameron of Easyford, an ardent collector, has signified his willingness to make some articles available if a museum is established here.

Brian Gooding reviewed activities planned around the Voyageur Canoe Pageant on May 25th. Canoes will be arriving here at about 5 p.m. and will stage either a race or some sort of water show on arrival.

Canoeists will be greeted by bands on the river flats and will be escorted into town to the Centennial Civic Centre where they will camp overnight. Boy Scouts will have the site prepared for the canoeists tents and will also act as messengers.

A barbecue is planned for about 6:00 p.m. and will be followed by a program in the centre which will include the official opening. An attempt was made to have the building opened by Prime Minister Lester B. Pearson but he will not be in Western Canada at

Town Council Supports New Municipal Act

At last Thursday's meeting of Town Council it was decided to write to provincial authorities with a request for early enactment of the new Consolidated Municipal Act.

The new Act, which has been subjected to criticism by members of the Edmonton City Council, is felt to be a considerable improvement on the legislation under which municipalities now operate.

Bonspiel Winners

Winners of the Grand Challenge and Visitors Aggregate Trophies in the Drayton Valley Ladies Bonspiel last weekend was the Hinton rink shown above. From left to right: Barb Higgins, skip; Lil Bealle, 3rd; Joan Mahan, 2nd; and Jean Richardson, lead.

ing in Block 4 will be advertised for sale.

The secretary-treasurer reported that several bands have indicated their willingness to appear here for various Centennial events.

All the band information will be turned over to the Centennial Committee to be used as necessary in arranging programs during the year.

By-law No. 379 to cancel uncollectible taxes received second and third readings.

Copies of the E.M.O. Welfare Annex Plan were distributed to Council members for study before the plan is introduced for Council approval.

A delegation from the Rotary Club noted that the Rotary Park would be formally opened on July 1st and asked if something could be done with the pump located in the park. Council discussed the request and offered to investigate the cost and feasibility of lowering the pump below ground.

Councillor Brian Gooding was appointed to negotiate with Weatherford Oil Tool for the purchase of their building located adjacent to the town shop. If obtained, the building located on Lot 3, Block 10, would be used by the town for storage purposes.

Council authorized an expenditure of \$500 for the construction of a float based on a Centennial theme. The float would be first used at the Rocky Mountain House Voyageur celebration on May 24th and would later travel to various Alberta points to advertise Drayton Valley at fairs and celebrations.

Town employees will start on the float immediately and continue the project during slack periods.

Council authorized the purchase of two portraits of Queen Elizabeth, one for the Council Chamber and one for the Centennial Civic Centre.

Council is also investigating the possibility of a scroll to be placed in the Civic

Centennial Meeting

Continued from Page 1
the time and the committee is now endeavoring to have the opening performed by Canada's Centennial Commissioner, John Fisher.

The committee plans to have hosts from the community for each of the 100 members of the canoe teams. The hosts would accompany a canoeist during the barbecue and other events of the evening which will include a big dance featuring modern and old time music interspersed during the evening with stage shows.

Tim Joyce reported that the Lions Club has ordered flags to be made available to residents for decorating the community.

It was suggested that some group be approached to undertake a sports day as a part of Centennial activities. The F.U.A. local will be approached to determine if it might consider a project of this nature.

Jack Bright noted that Jack McLean had been added to the Caravan Committee as a replacement for Sherrold Moore and that other communities in the area are being approached to take part in the events surrounding the caravan visit.

It was noted that representatives of the Drayton Valley Centennial Committee are available to attend meetings at district points where they may be able to help in arranging or co-ordinating activities with the centralized events to be held in Drayton Valley.

Claude Albert reviewed the Student Exchange Program, noting that students from here would visit Quebec and a group from Sidney, Nova Scotia would be hosted here.

Fourteen of the students making the trip to Quebec will be selected from Drayton Valley and area; six from Stony Plain; and two each from Seba Beach and Entwistle.

Centre bearing the names of all those who contributed in its construction.

Parents' Night

About one hundred and ten parents registered at Frank Maddock High last Wednesday at 8:00 p.m. as part of a two phase program designed to fully acquaint adults with the operation and curriculum of the high school.

Phase two--the curriculum, will be presented in early May.

Parents went through a typical Tuesday, 8 period program of their respective boy or girl. In each period they met briefly with the subject teacher.

At the conclusion of the "day" a general assembly was held in the gymnasium. A number of topics were discussed by Mr. Woods and plans for the post-Easter meeting were revealed.

An interesting display, organized by Mr. Hutton and the phys. ed. class, was then presented.

Following this coffee was served and parents and staff met informally.

Most agreed that the evening was very worthwhile.

Net operating loss of Ottawa's agricultural stabilization board was \$72 million in the year ended March 31, 1963, compared to a loss of \$22 million for the preceding year. - Quick Canadian Facts.

EDITORIAL COMMENT

The People Behind Red Cross Are YOU and YOU and YOU!

March is Red Cross Month in Canada, a time when we pay tribute to the organization which has done so much for so many.

The Red Cross Blood Transfusion Service alone is a boon to every Canadian who is ill or seriously injured. Supplies of whole blood and blood products are made available at no charge to hospital patients because of this service and because of the Canadians who voluntarily donate their blood. It is an example of the simple regard that one Canadian has for another,

that he cares enough for his neighbour to want to share his good health.

Centennial year marks the twentieth anniversary of the blood transfusion service in Canada. Since 1947, thousands of Canadian lives have been saved by persons who voluntarily donated the gift of life through the Red Cross. This year will see the 10-millionth unit of blood donated. This is a record of which every Canadian can be justly proud.

A man who owned a hand-operated rotisserie was barbecuing a chicken in his backyard and turning the crank of

the rotisserie when a beatnik walked by. "I don't want to bug you dad," said the character, "but your music stop-

ped and your monkey's on fire."

Local Esso Agent Milt McMahon completes advanced Engro fertilizer school

Recent fertilizer school graduates in our area:

From left to right: Milt McMahon, Drayton Valley; Bob Harris, Barrhead; Lorne Sharp, South Edmonton; Vic Yancey, Fawcett; Roy

Yeoman, Onoway. Awards are being presented by George Gould (right), Course Director.

This winter Imperial Oil Limited is operating a series of Soils Management and Fertilizer Use courses for their hundreds of Esso agents that now handle ENGRO FERTILIZERS. The ENGRO curriculum is much more than just a refresher course. It is planned to help the agent help his farm customers solve their

fertilizer problems. One of the text books used is the new ENGRO soils management handbook—"Fertile Fields and Fertilizers." This and many other references ensure that Esso agents have the very latest in fertilizer analysis recommendations, application rates and techniques.

In ancient Greece, in order to prevent idiot statesmen from pressing stupid laws upon the people, at one point in Greece's history, lawmakers were asked to introduce all

new laws while standing on a platform with a rope around his neck.

If the law passed, the rope was removed; if it failed the platform was removed.

The show will feature the first place winners in each of the four categories from seven

DISTRICT NEWS

EVANSBURG

Mrs. M. Bruner, Correspondent

It wasn't the flu that made me miss the news last week. Just plain business, forgetfulness of deadlines and mail service. However.....

The Junior-Senior High School held a successful parent-teachers' night. Many parents availed themselves of the opportunity to visit the school and discuss problems with the teachers.

The Cubs and Scouts held their first (for this troop and pack) Father and Son Banquet. A very good turn out of fathers and sons came and Mr. Unger entertained the group with wild life films.

The Pembina Lobstick 4-H'ers met with the Entwistle Club and all enjoyed an afternoon of curling. Some of the Senior 4-H members and their leaders attended a meeting at Smithfield to further plan for the coming 4-H Centennial Jamboree.

Mr. and Mrs. Charlie Taylor were both lucky at bingo recently. Mrs. Taylor won the jackpot and Mr. Taylor won a good sum on a game.

Congratulations go to Miss Edith Copeland of Entwistle on her recent marriage.

The District Agricultural Society held their regular meeting at the Mazeppa home recently. It was decided to purchase a lighting plant for the new building. Other matters discussed were ideas for a float, a raffle and four queen candidates. Mr. Miko informed the Society he is donating a trophy for the best Hereford cow shown at the fair.

We hear that Mrs. Gerrard of Wildwood has been called to Kelowna, B.C. where her father has been taken ill.

DRAYTON JR. HIGH SCHOOL FLASHES

This week the Ooksiks lost a game to the St. Anthony's Angels 16-11, and the Huskies winning the St. Anthony tournament with St. Anthony's second. Doug Ibbotson from the Huskies won a trophy for one of the best player awards.

On Saturday the 18th, the Ooksiks and the Huskies are inviting St. Anthony's, Tomahawk and Seba for their tournament. Everyone is invited. Admission is 50¢ all day or 25¢ a game. There will be a trophy for the winning team and the second place team. A trophy will also be presented to the best boy and girl player and to the best cheerleading squad. The games will be played at the Frank Maddock High School starting at 9:30 a.m. Refreshments will be served.

communities where shows have been held during the 20th annual Search for Talent series now nearing completion.

Towns to be represented at the Stony Plain show are Drayton Valley, Sangudo, Onoway, Edson, Entwistle, Whitecourt and Breton.

One week later the northern regional semi-final will be held at Boyle and on April 15 the scene shifts to Fort Saskatchewan where the Eastern Regional semi finals will be held.

First, second and third place winners in each category will appear in the finals on CFRN TV on Saturday, April 22nd. They will compete for three Sunwapta scholarships as well as for championship awards in each category. The showmanship and modern award will be donated by Northwestern Utilities Ltd; the country and western by Canada Safeway, and the junior awards by the Harmony Kids School of Music.

Showtime at the Stony Plain community centre for the Western Regional semi-finals is 7:30 p.m. April 1st.

Pair Sentenced to One Year Jail Terms

Joseph Church, 21, and Frank Law, 21, both of Drayton Valley, appeared in Magistrates' Court here on February 28th on five charges of breaking and entering and one of theft. They entered guilty pleas on each charge and were remanded in custody for one week for sentencing.

On March 7th they again appeared before Magistrate P.L. Keyes and were sentenced to one year in the Provincial Jail at Fort Saskatchewan on each of the breaking and entering charges and six months on the theft charge.

All sentences run concurrently.

The charges arose out of incidents last December when the offices of Landreville and Munro, Imperial Oil Bulk Station, Flint Engineering and Anchor Construction were broken into and articles of value stolen. On February 26th the house trailer of John Poloway was broken into and a propane tank taken.

There's only a slight difference between keeping your chin up and sticking your neck out, but it's worth knowing.

Correction

The date for the colored film "Riding the Pulpit" was incorrectly printed in last week's paper. Please note the show will be held on Sunday, April 2nd at 7:30 p.m. at the Church of God, Drayton Valley.

The show places special emphasis on youth and all young people of the community are welcome to attend.

Cadet League Plans Centennial Exchange

Plans have been announced for summer activities of Air Cadet Squadrons across Canada.

A Centennial Exchange Camp is planned with cadets from Western Canada visiting St. Jean, Quebec. The Dray-

ton Valley quota has been set at two cadets from No. 733 Squadron.

The two cadets selected for the Centennial Exchange are promised an interesting visit to Eastern Canada that will include trips to the Parliament Buildings, the Aviation Museum at Rockcliffe, a visit to Quebec City and two sessions at Expo '67.

The Drayton Valley quota for the summer camp at Penhold is eleven cadets.

Last year a satellite bush camp was set up in the foot hills about 50 miles west of Penhold. This year the camp will be established on a permanent basis with kitchen and other facilities.

Bowling Play-offs Starting

The March meeting was held on March 6th with only 7 members present. In view of the poor turn-out at this or past meetings it was decided to inform bowlers through the press of some of the rules and business carried on by their Association. Watch for this in next week's paper.

Play-offs start on March 27 and will run for three weeks. We have found it necessary to ask everyone to pay the total lineage for these three weeks of roll-offs on their first night. In other words, during the week commencing March 27 you will pay \$3.75 and the last two weeks you will not have to pay anything. Good luck, bowlers.

WHO'S NEW

March 5--Mrs. Garry Johanson (Vena), Drayton Valley - Girl - 5 lbs. 15 3/4 ozs.

March 7--Mrs. Michael Borys (Helen), Evansburg - Girl - 7 lbs. 14 1/4 ozs.

March 9--Mrs. William Maxwell (Beverly), Lodgepole, Alberta - Boy - 5 lbs. 14 1/2 ozs.

March 10--Mrs. Peter Pawliw (Flora), Evansburg - Girl - 9 lbs. 4 1/2 ozs.

March 11--Mrs. Lawrence Gervais (Donna), Drayton Valley - Girl - 5 lbs. 1 3/4 ozs.

The winner of this week's heaviest baby contest is Mrs. Peter Pawliw with her girl weighing 9 lbs. 4 1/2 ozs. Mrs. Pawliw may pick up her spoon at:

DEFEAT SAINTS IN FINAL

Huskies Win Tournament

The Drayton Valley Junior Huskies by virtue of a 39-15 victory over St. Anthony's Saints captured the tournament trophy at the Junior High School Junior Basketball Tournament sponsored by St. Anthony's Students Union last Saturday.

The tournament was underway at 10:45 a.m. and saw the Winfield Rockets battle the Drayton Valley Huskies in the first match which concluded with a 39-11 count favouring the Huskies.

In the second contest, Seba Beach Junior High in a good effort lost to St. Anthony's Saints by a 21-5 count. This game was followed by a consolation match between Winfield and Seba Beach. Seba Beach, having just completed a game and short of substitute players, found it difficult to contain the fired up Winfield team, losing by a score of 20-4.

The final game for the tournament championship began at approximately 3:15 p.m., featuring the two finalists, Drayton Valley Huskies and St. Anthony's Saints. The Saints performed effectively in the initial stages of the game but fell to powerful

huskies sparked by the brilliant performances of Doug Ibbotson and Don Bouchard who scored 14 and 11 points respectively. The Saints top scorers were Joe Palmer with 5 points and Norman Tucker with four. Carl Bengston performed outstandingly at guard for the Saints, controlling the team in both contests.

The following trophies were presented by school principal, Mr. J.A. Orioux: Tournament Trophy - Drayton Valley Huskies; 2nd place Tournament Trophy - St. Anthony's Saints; All Star Trophies, Doug Ibbotson, Drayton Valley Huskies and Carl Bengston, St. Anthony's Saints; Cheerleader trophy - St. Anthony's School.

DISTRICT NEWS

ROCKY RAPIDS

Mrs. Eileen Belva
Correspondent

Sympathy is extended to the family of Mrs. Emma Glubs on her passing March 11th.

The farewell party recently held in the Rocky Rapids hall for Mr. and Mrs. Norman Hansen and their family was well attended. They are leaving immediately for their new home in Terrace, B.C.

Carlton Mattoon is home from Toronto visiting his family.

Plans Going Ahead for Annual Ice Carnival

Carnival days are just around the corner. At homes throughout Drayton Valley mothers will soon be concerned about problems like: "How do you make a Mountie costume....or how can we make these kids look like mountaineers?"

"Canadian Heritage 1967" is a fast-paced two hour show involving about 110 skaters and will be presented April 8 at 2:00 p.m. and 8:00 p.m. in the Centennial Arena.

Choreography will depict a look at Canada in the past century and a tribute to the oil industry of our town.

Winners in a recently conducted poster contest will receive

five tickets to the afternoon performance of the ice show.

The following grade six pupils will display their winning posters within the town: Susan Hagman; Valerie Anderson; Bonnie Mohn; Brenda Boulter; Cindy Fetig; Brenda Streit; Leola Block; Janice Neil; Edward Toews; Crystal Durham; Brenda Smith; Debbie Reid; Debra Wickens; Louis Pequin; Jocelyn Beauchesne; Joanne Harris; Claudette Parenteau; Debra Marie Saulnier; and Colleen Bengston.

Mr. L. Johnston of Drayton Hardware attended the Sunset convention held in Calgary this week.

Warriors Defeat Thorsby

The FMHS Warriors extended their league victories to six in a row as they set back a favored Thorsby team 46-30 last Friday in a game played at the Frank Maddock Gymnasium before a good size crowd of basketball enthusiasts. This victory was to have given the Drayton team the league championship but the team must await the league's decision on a previously played game between

Winfield and Thorsby which was won by Winfield in overtime but has been protested by Thorsby.

The Warriors showing a strong, balanced attack were led by Larry Metelski who played an outstanding game offensively and defensively from his left guard position. Larry seemed to take the sting out of the Thorsby five with some fine outside shooting.

With Pat Hurley fouled out early in the second half and Ken Bureyko leaving the game with an ankle injury in the second half the Warrior bench showed good depth with Rodney Schultz and Charles Swap leading the way. On the scoreboard Larry Metelski led the Warriors with 14 points, Ken Bureyko followed with 9 and Doug Ibbotson with 7. For Thorsby Kuzio netted 12 points and Sauve 8.

The Warriors are scheduled for a return game in Thorsby this Friday.

Art Show Planned

The art classes of St. Anthony's will hold a tea and spring art show on Thursday, March 23rd from 1:00 p.m. to 3:00 p.m. The spring art show will be an exhibit of art produced in the art classes, as well as in some of the creative projects in social studies, enterprise and literature.

Some of the art projects to be displayed will include also construction, a replica of a fort, cottages, needlework, and many drawings.

Everyone is cordially invited to attend the Spring Art

DRAYTON VALLEY, ALBERTA

Vol. III, No. 1(Mar. 1967

Show and view some of the constructive work done by the students of St. Anthony's. Tea and cookies will be served.

Natives who beat drums to beat off evil spirits are objects of scorn to smart people who blow horns to break up traffic jams.

In The Legislature

By Mrs. C. R. Wood, M.L.A.

On Friday morning beginning the fifth week in the Legislature the Public Accounts Committee met for the second time and Hon. R. Reier-son Minister of Telephones, stated that the educational television system to blanket the entire Province, would cost \$25,000,000 and would be at least ten years away. Detailed study of the money spent on telephones was made.

That afternoon, Hon. A.O. Aalborg, Provincial Treasurer officially closed the Budget Debate. He stated that the two mill increase in municipal contribution to the school foundation program was just an adjustment and not an increase. He said that the increase would have the effect of reducing the need for municipal supplementary requisition for education.

In reply to other opposition criticism that the 'government after 32 years in office had just discovered people in its Human Resources program' Hon. Aalborg said, 'In Ontario the per capita spending is \$315, while in Alberta it is \$556 and government contributions to municipalities in Ontario are \$170 per capita and \$205 in Alberta per capita. Alberta's combined Provincial-Municipal taxes were lower than any other Province and its combined Provincial-Municipal expenditures were higher.' Since the Leduc oil strike he said, that natural gas revenues have been about \$1,900,000,000 and capital expenditures about \$1,800,000,000. "People, Human Resources have been well looked after all down the years," he said.

The House then went into the study of the estimates for the Department of Agriculture. Objection was taken by M. Maccagno, Leader of the Opposition, to the amount of the license the fur farmers pay to the Department of Agriculture before they qualify for a grant.

Progress was slow and hundreds of questions were asked and were answered satisfactorily by Hon. H. Strom, Minister of Agriculture. All that afternoon, Monday afternoon and the greater part of Tuesday were spent in the \$6,656,328 to be spent in 1967-68 for agriculture.

The sad news on Sunday of the passing of His Excellency Governor-General Georges P. Vanier brought forth tributes on Monday afternoon session from Speaker Art Dixon, Premier Manning and M. Maccagno.

Thursday the estimates of

the Attorney General's Department were continued bringing to a total of \$17,413,570 spent on Law Librarians, Coroner's Inquests, Court Reporters and Judges of District Courts, Magistrates, Witnesses and Jurors, Land Titles Office, Royal Canadian Mounted Police, Juvenile Offenders, Jails and Institutions.

The Report of the Legislative and Lay Committee on Preventive Health Measures was discussed. The report recommends dividing the Province into 9 Health Regions instead of the present 25 Health Units and that a Career Service for personnel be instituted. The Report on Juvenile Delinquency was tabled and 8 Private Members Bills presented.

Publicity In P.E.I.

Drayton Valley, by way of a Yardley Jones Cartoon, recently found itself mentioned in The Evening Patriot of Charlottetown, Prince Edward Island.

Louis Regnier received the clipping from his brother, an airman stationed in P.E.I. The cartoon shows one of those famous Yardley Jones calendars hanging on an office wall advertising "The Drayton Valley Tire and Girdle Co."

OILWIVES CELEBRATE BIRTHDAY

Drayton Valley Oil Wives celebrated their ninth birthday with the annual talent show in the Elk's Hall on Monday, March 13th. A lovely roast beef dinner was served by the Anglican W.A.

There were 104 members present and 80 guests. Our members and guests proved to be good sports by coming dressed as their favorite song.

The annual Oil Wives paper "The Flare" was given out at the door by Publicity Chairman Helen Paley and her co-chairman, Isabelle Sherrow.

The candles were lit on a birthday cake that decorated the head table while the club sang, "Happy Birthday Oil Wives." This cake was raffled and won by Rita Kenworthy.

Following dinner a brief business meeting was held. Lil Ross sat in for first vice, Dot Booker who was absent as she was called to a mid-term board meeting in Calgary. The next executive meeting will be held at the home of Jackie Timmins on April 3rd.

The evenings entertainment once again proved what a terrific variety of talented members we have. About 50 members participated in the show, which proves that besides being talented we have a good percentage of willing workers. These girls put on a tremendous show under the capable supervision of our

LAFF OF THE WEEK

'Well, when are you going to stop staring and start burgling?'

program chairman, May O'Rourke.

A hilarious addition to the show was our M.C. Jean Ward who impersonated "Tennessee Ernie Ford". Also an attractive skit presented by four lad-

ies from the Curling Club.

Many thanks to all the girls who made this show so enjoyable.

The longer a person is wrong the surer he is that he's right.

Enjoy Old Time Dance

Those who attended the Elk's Old Time Dance on March 10th had a very enjoyable evening when they danced to the old time music of waltzes, square dances, polkas, two steps, and French

minuets.

The next dance will be held on April 7th in the Elks Hall so come one and all. The admission is \$1.00 per person. The same orchestra will be playing from 9:30 to 1:30 that evening.

The easiest way to get your wife's attention is to look comfortable.

*Have you heard what we're doing
with the world's most perfect water?*

News travels fast

Nature built us an 82 mile pipeline right down from the peaks of the Rockies. When the mountain water reaches our brewery it has been filtered and refiltered a thousand times. Naturally. It is cool, clear and perfectly pure. Along with natural ageing, that's

what lets us brew such a smooth, satisfying beer. And what better use for the world's most perfect water?

CALGARY BREWING - master brewers for Albertans since 1892

Budget Problem Faces Council

At a four hour council meeting to examine the 1967 budget Monday night, council pared all budgets to the bone but could not reduce the expenditures to a satisfactory level.

An increase of over \$60,000 was demanded in budget estimates of all departments of the town operations in excess of 1966 expenditures. These are now being sent back to each department for drastic

paring. To accept department estimates would have meant an increase of 15 mills bringing the mill rate to over 70 mills.

A breakdown of increased demands (in mill rates) follows.

Education3+mills
Police1 mill
Fire1/4 mill
Recreation4 mills
Public Works4 mills
Administration1/4 mill
Capital Fund4 mills
(A reduction in costs in street lighting and reserves for uncollected taxes reduces the mill rate by 1½ mills.)

After considerable deliberation the council was unable to pare estimates by more than 7 mills and decided the departments must have another look at their requirements. Increases in prices, salaries and facilities all are contributing factors to the exceedingly large budget estimates.

TRANSFERRED

Don Nielson, who has been the N.A.D.P. Depot Manager for the past year and a half in Drayton Valley has been transferred to Jasper where he will commence duties on Thursday. Brian Minchin has taken over the depot at Drayton.

JUNIOR CHOIR TO SING

D. V. Highlights

BY MRS EDITH DEBY

Constable and Mrs. John Janzen were Drayton Valley visitors last week.

Mrs. L.L. Williams is a patient in an Edmonton hospital.

On Saturday evening Mrs. Nick Urchyshyn will entertain in her home in honour of Miss Donna Mastre with a bridal shower. Miss Mastre is to marry the popular young hockey player, Mr. Roy Hutchinson in April. Mrs. Urchyshyn extends a hearty invitation to Miss Mastre's friends to attend on Saturday evening.

Mrs. Marion Kendrick of Edmonton, was the guest of her son and daughter-in-law, Mr. and Mrs. Jack Kendrick last weekend.

Mr. Deodat Lamoureux of Cold Lake, died of a heart attack in his home on Saturday evening. Mr. Lamoureux is well known here for he was among the first men to arrive when oil was discovered.

Mrs. Eva Kitching of Sudbury, Ontario, is visiting the Beckets at present. Mrs.

Kitching is an accomplished quilt maker and as she visits she manufactures quilts at a truly amazing rate.

Basketball Tournament Saturday

Nothing less than enthusiasm will describe the action that is expected at the Frank Mad-dock Gymnasium this coming Saturday when eight junior basketball teams combine their efforts into the last basketball event of this term. Participation by both players and spectators has continued to increase in number over the past months and it is expected that Saturday's tourney will be witnessed by a turn out of every enthusiastic fan in the area.

Action will begin at 9:00 a.m. and will continue through till 6:30 in the evening. Presentation of team trophies and individual awards will follow the final game which is scheduled to begin at 5:00 p.m. Admission fee is only 25¢ per game or 50¢ for a tournament pass to all eight games.

ils, under the direction of Mrs.
P. Kupsch, presented a dance,
Bow, Bow, Belinda. The other
items in order were: Recitation
by David Zilm, "Playing Sick"
Grade II, song, "Puff The Mag-
ic Dragon", Miss C. Dyksen;
Grade III, song, "Here Comes
Suzy Snowflake with Brenda
Moisey as "Suzy"; Two poems
both originals--Hoppy Rabbit
by Jim Hamilton, and The
Bunny by Brenda Moisey with
Shelley Moisey as a charming
bunny; Choral Speech, "Bird
Talk" under the direction of
Mrs. A. Tagervold; The
Mexican Hat Dance by the
Grade IV pupils and Mrs. J.
Zanders; A play, "Mad Hatter"
by the Grade V pupils and
under the direction of Mr. G.
Browne; "Banana Boat Song"

and "America Farewell" were
sung by the Grade V and VI
pupils and Mr. R. Thomas
accompanied the children on
the guitar; A recitation, "My
Poplars", by Lois Elliot and
Loretta Waters.

At the conclusion of the
program the parents visited
the class room to see the
various projects and chat with
the teachers.

The girls of the Junior Red
Cross from Mr. Browne's
class served coffee and sand-
wiches.

Mr. E. Rosentreter returned
from Anzac on Tuesday.
Friends of Miss Diane
Schmidt will be pleased to

know that she will be return-
ing home from the hospital
shortly.

The Drayton Valley Mites,
the J & A were hosts to the
Lodgepole Lion Mites in a
game which resulted in a tie.
Lodgepole had to come from
behind in the last period.

EXPORT

Smooth Brewed
BEER

Molson's did - with 'EX'!

It took years of trial and error to come up with the exclusive
smooth-brewed formula for EXPORT. You'll find the same
great extra smooth taste in every bottle, 'EX' is the beer
that's consistently better!

Recreation Round-Up

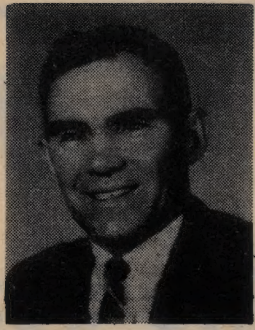

By
Mike Gormley

CERAMICS POSSIBLE

Prospects look bright for ceramics to become a feature activity in the arts and crafts section of the Drayton Valley Recreation program in the near future. A popular activity for a time, a few years back, ceramics faded from our program when interest in the activity waned. Several keenly interested persons left Drayton Valley and the group suspended activities in 1964.

Since that time ceramics has been non-existent in the community and as a matter of fact our entire arts and crafts program has been at a low ebb. Recently, however, new interest was generated in the field of ceramics and it would seem that we are on the door step of a new era in our arts and crafts program. The person instrumental in revitalizing the program is Mrs. Lillian Doig, wife of our Police Chief, who came to Drayton Valley, late in 1966. Mrs. Doig has several years experience in the art of pottery and is anxious to see an active group in Drayton Valley.

The Arts and Crafts Division of the Government of the Province of Alberta offers an extensive training program annually in the major crafts such as ceramics, basketry, weaving, leather work, metal-smithing, etc. Instructional

periods are a concentrated schedule of teaching several hours each day, varying from two to five days depending on the technical implications of the craft being taught. Mrs. Doig will be attending one such training course in the General Ceramics Workshop held in Edmonton from March 28th to April 1st, inclusive. Workshop visits to interested communities are also made available by the Department to assist the group concerned with problems that may arise and to advise in the development of the program and the progress of the group's work.

A ceramics program would be a tremendous credit to Recreation in Drayton Valley. It would be a much needed shot in the arm for the rather dormant crafts division and it certainly would broaden and balance our overall program. We wish to thank Mrs. Doig for her interest and her planning of a proposed program to date and we certainly hope that this ceramics program becomes a reality in this community.

All interested persons should contact Mrs. Doig at 542-3232. At this time she would like to know how many people are genuinely interest-

ed in ceramics. Once this is established we can proceed and plan a program accordingly.

MITE HOCKEY IN SPOTLIGHT

It has been the most successful hockey season ever for all levels of play here in Drayton Valley, but if one category had to be singled out as the "outstanding" it would have to be our Mites. Mite hockey really boomed here this winter. Competition at this level takes in boys from six to ten years of age. Four teams were formed to make up a local town league and 64 boys have taken part regularly since mid-December. The four teams, the Red Wings, the Polar Bears, J. & A Trucking and Swanee's compete in regular league play every Wednesday and Friday evening at 5:30 p.m. The regular league schedule closes the third week of March, after which playoffs will be held. Over and above regular league games each local team will have played Lodgepole once before the close of the season.

In a word it was a great season for the little fellows. Competition was keen at all times and our national game has been thoroughly enjoyed by all concerned. And, we are ahead of the game here, there is still at least three weeks before the final game is played and the skates are hung up for the 1966-67 season.

A sincere vote of thanks to our Commissioner of Mite Hockey, Hugh MacKenzie, and to the many coaches who

devoted their time, knowledge and effort toward making this league possible. Along with the other Commissioners of Minor Hockey, Russ Simpson, Vic Weishaar and Joe Balen and all the coaches in the entire Minor program, these

men are not only doing a tremendous work in teaching our youngsters Canada's national game but they are building tomorrow's citizens. They are forming character, expanding horizons and helping develop each and every participant.

THANK YOU

Emile and Nevis LaBranche of Oil King Motors wish to extend sincere appreciation to friends and business associates for help and sympathy extended at the loss of our business by fire.

We commend the local fire department who arrived within minutes. Their prompt action in thoroughly wetting the office area resulted in the saving of most of our records.

HarVir Motors has kindly offered their service in pre-delivery and warranty work

Service to Oil King customers will be handled from HarVir Motors.

Sales will be temporarily conducted from the LaBranche residence.
